A Word From The Director

LIA AZCUNA

PD1's mission is to make Christ known through soccer while helping kids become the players every coach wants. This winter season we were thrilled to have the opportunity to accomplish this with you all. We loved having you participate in the training piece of our program as well as the Life Talks.

As PD1 continues to develop as a program, we seek to magnify Christ in all we do! In the Bible, Jesus says, "I am the way, the truth, and the life. No one comes to the Father except through me" (John 14:6).

At PD1, we fully believe this truth. As a program, we will continue to seek out ways to build upon this foundational truth as we develop our soccer program. We are so excited for this upcoming winter and the amazing things we have planned for you all!

That is all for now! Please feel free to contact us through our website or email us at info@pd1st.com.
